| Offered courses and registration | 5. (1) Any course in the academic programs may be offered in a Summer School. (2) Courses that are likely to be offered during the Summer School are announced by the Rectors’ office at least 4 weeks before the commencement of the Summer School. (3) Students intending to attend the Summer School should pre-register within the period determined by the Rectors’ office. (4) The minimum number of students needed to be registered to each course to be offered in the Summer School is determined by the Rectors’ office. (5) Normal registration to a course should follow the procedure laid out in Article 10(1) of Regulation for Education and Examination. (6) Students, who have fulfilled all requirements of the English Preparatory School, may register in Summer School courses. (7) Students, wishing to attend a Summer School and who previously received a D-, F, NG, or U grade from a course must register for that course when it is available in the Summer School. (8) Students, who received an Academic Warning at the end of the spring semester, can only register to one new course. However priority should be given to enroll in courses from which the student has received a D-, F, NG, or U grade provided they are offered. Students with two consecutive Academic Warnings by the end of the spring semester preceding the Summer School can not be registered in a new course in that Summer School. (9) Subject to the approval of the Department Chair or the School Director, students may apply to withdraw from a Summer School course before the 27th teaching day counting from the official
commencement day of classes. Students are given a ‘W’ grade for courses from which they have withdrawn.

**Fees**
6. Fees to be paid for the Summer School is course based and are not governed by the provisions given under Article 7 of Regulation for Education and Examinations. The fee to be paid for each registered course is announced by the Rectors’ office at least 4 weeks before the starting date of the Summer School.

**Examinations**
7. Examinations must be carried out according to the principals given under Article 21 of Regulation for Education and Examinations.

**Course Evaluation**
8. (1) At the end of the Summer School, grades of courses registered are determined as provided by Article 18 of Regulation for Education and Examinations
(2) Courses taken during the Summer School are listed under the heading “Summer School” in the transcript.
(3) Achievements during the Summer School are taken into account in the computation of the CGPA and the determination of the status of a student. However, an Academic Warning received in a Summer School is not considered as a consecutive Warning, only if the student was on Warning status in the semester preceding the Summer School.
(4) Students who have achieved a CGPA above the defined ones under Article 22(4) or 22(5) of Regulation for Education and Examinations at the end of the Summer School may register for the normal course load for the following semester. Courses from which a NG, F or D- grade was received previously must be given priority when registering.
(5) Students who fail to achieved a CGPA defined by Article 22(4) or 22(5) of Regulation for Education and Examinations at the end of the Summer School and who receive an Academic Warning will be registering for courses in the following semester subject to the provisions of Article 22(7) of Regulation for Education and Examinations.
(6) Summer School can not be considered as part of the “last two semesters” for the purpose of Graduation Makeup Examinations as defined by Article 8 of By-law for Education and Evaluations. With the decision of the Department or School Council, graduation makeup examinations for at most 2 courses taken during the Summer School and/or preceding two consecutive semesters can be given to students. These examinations can be given only if upon there successful completion, the student will have satisfied all requirements for graduation.

**Other Matters**
9. Any provisions not defined in this By-law are subject to the provisions of Regulation for Education and Examinations.

**Executive power**
10. This By-law is executed by the Rectors’ office
