

**Eastern Mediterranean
University**

POSTGRADUATE

Dear Students

Eastern Mediterranean University stands as the pioneering state university established by statute, leading the Turkish Republic of Northern Cyprus' higher education. With globally recognized accreditations validating its educational programs, the university has solidified its position among today's top academic institutions at a global scale. One of the greatest characteristics of the Eastern Mediterranean University is its exceptional integration with the city, placing it among the few universities in the world with such a close connection. Our university welcomes over 16,000 students from 110 different countries and boasts faculty members from 35 different nations. This vibrant environment fosters an educational experience within an international campus and cross-cultural friendships, preparing you extensively for the future through our global structure. Whilst receiving a quality education here, getting to know different cultures will take you beyond the graduates of other universities. Thus, with the internationally recognized diploma of the Eastern Mediterranean University, wherever you go in the world, you will not feel estranged or encounter adaptation challenges.

Eastern Mediterranean University not only offers high-quality education and research opportunities but also fosters the students' development through a digital transformation mission and an innovative approach through integrating social, cultural,

and art activities, ensuring that all graduates are well-prepared academically and socially for their professional endeavors. With an elite alumni network of almost 76,000 graduates worldwide, the university takes immense pride in their accomplishments.

Our alumni, shaped by our institution, emerge as dynamic, resourceful individuals who understand contemporary needs, possess the skills to address them, and adapt their work to the latest global advancements in their respective fields. In addition to the said skills, our graduates boast unique characteristics including a proactive attitude, competitiveness, and a dedication to continuous personal and professional growth.

Eastern Mediterranean University boasts a modern, eco-friendly campus designed to meet each student's requirements, providing a wide array of possibilities including sports facilities, hobby or interest-based student clubs, representation in international student societies and cultural promotion, access to Beach Club, and accommodation/housing facilities. We invite you to join us here at the Eastern Mediterranean University, the biggest and strongest investment for your future, where you'll have the chance to immerse yourself in the joys of personal development in a magnificent historic city whilst receiving the world's highest quality educational foundation to shape your future with precision and purpose.

With my best regards,
Prof. Dr. Hasan KILIÇ

Dear Students and Prospective Students,

Eastern Mediterranean University, as the most rooted institution of higher education at the Turkish Republic of Northern Cyprus as well as a world university, offers postgraduate and doctoral study opportunities to students from more than a hundred different countries with its advanced infrastructure, educational accumulation and quality, rich sports, social and cultural activity possibilities, international accreditations, an international environment, a valid diploma recognized throughout the world and qualified faculty.

Whilst the Eastern Mediterranean University, through its master's programs, aims to bring up the students as entrepreneurs who are ready to compete at the global level, able to produce solutions to problems, have skills for research and analytical thinking, are open to development and progress and act in line with ethical values, the university, through its doctoral programs, also has the goal of educating them as scientists who are fully-equipped for the academic life to make a universal contribution to science. As a result of the scientific studies emerging in line with these goals,

Eastern Mediterranean University achieves higher and higher in the world rankings every year.

The postgraduate students of the Eastern Mediterranean University have the opportunity to pursue their studies in the rich and dynamic master's and doctoral programs offered in Turkish and English-medium, with and without thesis options and with faculty members who are experts in their fields and can easily communicate with students.

We are awaiting to welcome the student candidates who are planning to study in the graduate programs of the Eastern Mediterranean University as a member of the EMU family. I wish you every success in your studies.

Prof. Dr. ALİ HAKAN ULUSOY
Director Institute of Graduate Studies and
Research

Our Role

The Institute of Graduate Studies and Research is responsible for overseeing, processing and coordinating matters concerning graduate admissions, assistantships, thesis proposals and defenses, supervisions, and examinations, subject to the by-laws of the University and the regulations laid down by the University Senate. The Institute serves to maintain quality in graduate education by adapting universally accepted academic principles and criteria.

Our Academic Support

Classes: Our academic staff is committed to providing both first-class education and research that makes a difference. The faculty members have a wide range of faculty research interests that allow the practice of interdisciplinary research besides classical research areas. Also, our academic staff is approachable and always ready to help you meet and exceed your own expectations. Classrooms are well equipped and provide a modern learning environment. Online Courses are provided through Learning Management System where students are given access to course resources or materials, as well as a platform for easy interaction from any place they may be located.

English: Students wishing to improve their English Language Level may register for English elective course given below after meeting English requirement conditions at first enrollment:

ENGL Thesis Writing for Postgraduate
523 Students

Elective course on thesis writing for 2nd year and PhD students.

and guide you during online applications and procedures from wherever you may be.

Library: Eastern Mediterranean University Library supports the education and research activities of the university with its materials and information services. The Library houses a collection of more than 150,000 books, thousands of audio-visuals, and around 300 periodical subscriptions. The Library has membership in more than 50 online databases that allow access to full-text Journals, Reports, Abstracts, E-Books, E-Theses Reviews, Indicators, Statistical Data, Working Papers, Standards as well as bibliographical information resources.

Labs/Studios: Each faculty is equipped with labs and/or studios that help students acquire procedural skills. The labs and studios are places where the students can observe, practice, explore and solve problems (whether scientific or artistic). Students are coached by their instructors, a process in which they practice handling tools and techniques to enable greater independence through participation.

Getting Settled: We help you settle at EMU by guiding you from arrival at the airport through to registration to your program. We also have a strong contact team to support

Financial: EMU has a variety of financial support from which students may benefit during their graduate studies. For scholarships, students can only benefit from one at a time. The table below gives short information on the nature of the financial support.

Our Courses

Program Length:

Master's with thesis: Minimum 2, maximum 4 semesters (+ possible 2 semester extensions only for thesis registration)

Master's without thesis: Minimum 2, maximum 3 semesters (no possible semester extension)

Ph.D.: Maximum 10 semesters (+possible 2 semester extensions)

Note: Those semesters registered ONLY to deficiency and English Support courses (ENGL509/511/513/515) are not included in the maximum duration allowed to complete the given graduate program.

Scientific Preparation Program (Deficiency Courses):

Students may be subject to the Scientific Preparation Program if they are coming from a different field or need to improve the level of their knowledge in certain subjects. The program needs to be completed at most in two semesters most often prior to program courses. Summer instruction cannot be included in this duration.

When and How to Apply:

EMU does not charge any application fee and applications are accepted twice a year for Fall and Spring semesters. Applicants are advised to make their applications by the end of December or August for Spring or Fall Semester, respectively. Application deadlines are announced on the website of the Institute. Prospective applicants are required to apply online <https://applyonline.emu.edu.tr/grad/>.

REGISTRATION and admission

and admission

Application Procedures

Step 1

You may create an online application at

An official transcript of all university-level (Bachelor / Master) courses taken. A comparative mark/grade table if CGPA on the transcript is not out of 4.00. English translations of these documents are necessary if they are in any language other than English.

Step 2

If any, documentation of scores received for English and academic proficiency exams/tests. Native speakers should indicate the place of birth and citizenship. All others should provide documents of any one of the required English Proficiency Tests.

Step 3

- Statement of Purpose / Intention (Please submit on a separate sheet: Your purpose in applying to the chosen program, explaining your motivation as well as the areas of specialization which would be of interest to you within the discipline).
- A passport-sized (approx. 6 cm x 5 cm) photograph.
- Program specific documents: Architecture (Ph.D. & Master): Portfolio.
- Proposal (for PhD program applications)

Step 4

Application

Step 1

Check out our university's programs available at

Step 2

Find the programs that you are interested in (you may apply for maximum of 3 different programs during one application)

Step 3

Apply online at

Check your admission status through the application portal. You will receive an e-signed acceptance letter once your admission is completed and you may proceed with the registration procedures.

Step 4

Registration

Step 1

Log into the Student Portal with your student number and password stated in the acceptance letter(s) you received from our university.

If you have been accepted into one or more programs, select and approve the program you wish to study.

Step 2

Step 3

Go to the 'Financial' section and check your tuition fee status. You can either pay online by debit/credit card or a bank transfer. Payment can be made in full or in installments.

Once your payment has been processed, apply for a Student Certificate via the Online Document Application ('Personal' section)

Step 4

Step 5

During the registration process, click on semester courses link in the 'Academic' section and select your courses

Become part of EMU family and enjoy your studies.

Step 6

Step 7

According to the immigration rules and regulations of North Cyprus, students are required to bring and present authentic copies of their Admission Letters, Diplomas and Transcripts upon their arrival to the country for the first time.

Scientific Preparation Program (Deficiency Courses):

Fees for graduate programs are calculated based on the structure of the program to which the students enroll. Thus, the semester fee calculation is done as follows:

- (per course fee x number of courses)
- + thesis fee (if registered)
- + funds.

However, new students need to deposit a certain amount of fee plus the student fund at first enrollment. This amount is also required to get a confirmation of payment letter for visa purposes (please see your letter of admission). If your payment does not cover the number of courses you have registered, you will need to make an additional payment. If you register for fewer courses, then the remainder of your deposit will be counted towards future course registrations.

Visa Procedures:

If traveling for higher education, an official admission letter from the university will be requested to enter the country. You will also be requested to apply for a student residency permit within maximum 60 days upon arrival. Please consult TRNC entry requirements with the nearest TRNC foreign mission/representative or Turkish embassy. See information at <http://www.mfa.gov.ct.tr>

English Requirements

For master's and PhD programs that are taught in English, evidence of English language ability is required. If you do not have a valid English language qualification that meets the EMU requirements presented in the table below, your level will be assessed by examination at EMU.

*According to a decision taken by the Student Selection and Placement Center (ÖSYM) on 14.02.2014, IELTS test scores cannot be used for exemption by Turkish citizens.

** Some graduate programs such as the Department of English Language Teaching (ELT) may apply a higher scale regarding English language exemption. Prospective students are advised to contact the relevant academic department for further additional rules and regulations.
