About

PhD Prof. Kokan Grchev finished his architectural studies in 1988 at the State Faculty of Architecture in Skopje. His master and PhD studies were at the Faculty of Philosophy, University St. Cyril and Methodius in Skopje, at the Department of Art, Architecture and Design History and Theory.

From 1990 to 2006, he was working at National Research institute as Architecture researcher, being promoted with the highest title of Scientific Canceled in 2000.

In the period 1998 to 2013, he specialized conservation and restoration with the National Conservation Center and Ministry of Culture of Macedonia, working on different projects.

As a result of his work, he was promoted in full time professor in 2006, and re-elected in 2013

After joining University (UACS), on undergraduate studies, he was teaching the following courses:

- Theory and History of Architecture Art and Design 1-3;
- Theory of Form;
- History of Art;
- Macedonian Art and Architecture 19th-20th century.

On UACS graduate studies, he was leading the department for Architectural Heritage. He was engaged in the following courses:

- Architectural Heritage 1-3;
- Architectural heritage studio 1-3;
- Contemporary architecture: theory and history;
- Theory of Architecture.

He was also the Chief Editor of the UACS Publishing Board.

Educational working experience (summary):

- From 2006-2014, as a Full time professor, he was teaching at undergraduate and graduate studies at the University American College Skopje, being the founder and first Director of the "Cultural Heritage Master Studies Program".
- From 2006-2010, at the International University of Novi Pazar, Serbia, as Visiting Professor, he participated Architecture Theory & History and Cultural Heritage Studies
- From February 2014, he is professor at the Eastern Mediterranean University, TRN Cyprus, Department of Architecture.

At EMU, as professor he is teaching:

- FARC 104 Graphic Communication 2
- ARCH 291 Architectural Design Studio
- ARCH 292 Architectural Design Studio
- ARCH 226 History and Theories of Architecture II
- ARCH 311 Principles of Restoration and Conservation
- ARCH 305 Architectural Drawing and Presentation Techniques
- ARCH 325 History of Art

GRADUATE AND PHD PROGRAM COURSES:

- ARCH 523 Theory of Architecture
- ARCH 524 Aspects of Architectural Theory II

CULTURAL HERITAGE MASTER PROGRAM:

- CHEST503 Theory and Philosophy of Conservation

¹ at least C1 level for understanding, speaking and writing skills according to the Common European Framework of Reference for Languages available at <https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>, as demonstrated by a certificate or by past relevant experience.

As expert on Cultural Heritage:

- He presented a topic: Cultural heritage Challenges: varieties of practices in R. Macedonia, INTBAU seminar lecture, EMU Faculty of Architecture, 2017
- As a professor at EMU Department of Architecture, He gave a special invited lecture on the topic of Cultural Heritage problems and issues at the 16th Canova International Architectural Encounter, Associazione Canova, Canova. Italy July, 2017
- For the celebration of the World Heritage Day he gave a Seminar: Memorial through sacral and monumental- in a quest for different concepts of monumental architectural artistic heritage (Former Yugoslavia and Macedonia examples), EMU Faculty of Architecture, 2014
- He was an expert team member for Developing the 3 Components of the Regional Program on Cultural and Natural Heritage in South East Europe (RPSEE) in the Republic of Macedonia (in cooperation with National Conservation Center and Ministry of Culture)
- As expert in cultural heritage, he participated in the Organisation of Regional cooperation of cultural networks: The creative cities from the Balkans in Europe of Culture
- He provided Expert-Consultancy of the Cultural Heritage Protection Office by the Ministry of Culture of the Republic of Macedonia and TIKa-Turkish Cooperation and Coordination Agency for the investments in conservation of Ottoman Monuments of culture
- He participates the Regional Cooperation Council-Task Force on Culture and Society of the Council of Europe, being National Task Force Member for Shengjul Hamam Restoration and Revitalization.

His professional profile in **Cultural Heritage** consists several main domains such as:

- Strategies and legislation on cultural heritage
- Conservation, restoration, revitalization and re-use of cultural heritage
- Supervision in conservation projects
- Internationally supported cultural heritage projects

Art experience:

Kokan Grchev is member of the National Association of Artist of R. Macedonia from 1990, having numerous national and international exhibitions (both solo and collective). His last exhibition of art works was opened April 2016, in the Twin Churches (De Mollay church of Hospitalers) in Famagusta, North Cyprus.
